

## IS Council – IS Conference

March 4, 2013

### Attendees:

Shirley Payne (Chair)	Teleconference
Dan Han	Teleconference
Bradley Paul	Teleconference
Chandos Carrow	Teleconference
Ray Usler	Teleconference
Maurion Edwards	Teleconference
Chandra Barnes	Teleconference
Rosario Igharas	Teleconference
Joe Hubbell	Teleconference
Deborah Edwards	In person
Ed Miller	CSRM Support
Tina Harris-Cunningham	CSRM Support

### Absent:

Marcie Stidham  
Mike MacEwen  
Steve Thomas  
Chuck Ross  
Andrew Hallberg

### Discussion Topics:

Shirley reviewed the notes from the last meeting for any questions or comments – February 19, 2013

The IS Council Conference Committee chairs and CSRM support staff (Ed and Tina) will have a meeting with Mike Watson on March 14<sup>th</sup> to discuss funding and event logistics for the conference.

Location and date for the conference needs to be narrowed down after the meeting with Mike Watson.

The conference committee needs to meet in person to discuss session topics and identify potential speakers for the event. The date for the meeting will be announced later.

Ed Miller will send out the conference survey again to the ISO's and AITR's. Responses are due a week after the survey is sent.

### SANS Training Recommendations:

Compressing two day classes into one day.

Add simulcast component to class. This could possibly reduce cost depending upon participation. It could also open a specific class to a larger audience.

Look into V-Live as an option. SANS would do the set up and stream the training live.

Additional recommended training classes: 20 critical security controls and Mobile Device Security

**Note: Depends on the size of the class if the instructor teaching is SANS Certified.**

**Speakers:**

Committee needs to prioritize keynote speakers from the list.

List needs to be reviewed for speakers who will speak for free or for a reasonable fee.

Additional possible speakers are:

Kevin Mandia – CEO of Mandiant Corp. in Washington, D.C. (Information Security Company)

Gurpreet Dhillon – Professor of Information Security at VCU's School of Business

Next Governor or Lt. Governor of Virginia

Federal Agencies have a speakers bureau. This is a possible resource for potential speakers.

**Next Step:**

Meet in person before the ISOAG meeting on April 3<sup>rd</sup> from 10 to Noon to discuss venue and logistics for conference.
